We will let you know when Sign Up Genius is available for you to sign up.

Please note if this day is not convenient or slots are full, you may email teachers to set up additional days/times to meet.

Sincerely,

Mr. Scott Gruenuaer

Messenger Club is open to 1st and 2nd graders. Our club meets before school one Thursday each month. We gather from 8:00-8:30 am. The mission of our group is to make various holiday decorations throughout the year. We deliver our festive decorations to Elderwood Nursing Facility.

"As Messengers of God" our hope is to bring a smile to residents' faces, while we brighten rooms and hallways of the facility.

2017-2018 School Ski and Snowboard Club

Dear Parents,

The students at St. Stephen's School will have the exciting opportunity to participate in ski and snowboard club at Holiday Valley this year. Our club will start January 7, 2018 and end March 4, 2018.

Students can arrive at Holiday Valley by 2:30 and will be provided with a one hour ski/snowboard lesson each week, which is included in the cost. The lesson is optional for students who are already proficient and have previous experience. Our club is open to all students in grades K-8, but students in grades K-5 must have a chaperone, that is a parent or guardian. Grades 6-8 will be allowed to attend with only the supervision of myself or another school sanctioned chaperone. However, parents of grades 6-8 students are encouraged to attend, as we would love to have as many participants as possible.

Holiday Valley has offered us a great deal, with the student club pass costing \$163, which includes skiing for EVERY Sunday, the entire season. We are only participating January 7– March 4 as a school club, but the students are free to ski any Sunday from season start to finish with friends and family. Even more exciting is that parents and chaperones are also being offered the student pass price of \$163 for unlimited Sunday skiing. This is only an increase of \$3 from last year's rate.

Unfortunately, transportation is not included. Families are encouraged to carpool and share driving each week. Last year worked out fantastically as many families shared the responsibility of driving and gave many of our students an opportunity attend when rides weren't available from home.

Lastly, ownership of ski or snowboard equipment is **not** required, as students are offered very reasonable prices for rental gear. Most students and chaperones do rent because of the cost of personal gear. The fact that Holiday Valley has Ski and Snowboard gear that is updated every two years and is like NEW makes the experience that much easier.

If you were a member last year and registered for the club online, I encourage you to do the same. Our new members should do the same. If you prefer the paper format, updated sign-up sheets will be placed in the school office at St. Stephens. Benefits for students participating in a school ski/snowboard club at Holiday Valley.

1. Special rates for weekly ski and snowboard programs for students that include 8 lessons, and an additional lift ticket to use at any time in March or April.
2. Full use of all 58 slopes and 4 mountain faces that offer a variety of terrain for all skill levels. Holiday Valley has a powerhouse snowmaking system that ensures dependable and safe conditions.
3. Besides outdoor physical activity, participation in Ski & Snowboard club teaches:
 - Independence and decision making
 - Responsibility and confidence
 - Spending time with friends and the opportunity to make new ones
 - Goal setting, organization, and planning

Children age 6 and younger are free, however they would not get the ski and snowboard lessons provided that the students buying the Sunday Ultimate Select pass would.

Two Options:

1. Children under 6 are free, but you would be responsible for ski instruction. Rentals would be only cost.
2. Buy ultimate select pass, and children Under 6 would receive lessons that are more age appropriate. Rentals would still be as needed.
