St. Stephen's Beekeepers Club. The beekeepers are getting started on re-establishing our beehive this coming spring. In order to help defray the cost of the equipment we still need and in conjunction with the BeeCause Project, we will be holding a Honey Sale. The honey is provided by the Savannah Bee Company and the cost for a 12 ounce jar is \$15.00. We keep \$5.00 from each sale, and the remainder goes to the BeeCause Project to help fund their education program throughout the United States and abroad. We applied for a grant to help us with our program and are "on hold" pending more funding from the program sponsors. We're very optimistic about eventually receiving our grant, but would like to keep our program going until then. If you would be interested in ordering honey to help support our program, please contact Mr. Kenline (kenlinep@ststephensgi.org) and let him know. The Beekeeper's will be set up in the entrance to the church after all services on Sunday, February 11, 2018. Honey can also be picked up after school between February 12 and February 15, 2018, between 3:30 and 4:30 p.m.

If you would like to pre-order your honey, please complete the form below and place it in the tray located in the Community Room. Payment is not due until pick-up.

FOR CATHOLIC EDUCATION IN WNY

7th Annual Northtowns Snowball Dance

December 2017

Dear Friend of Catholic Education,

“Start children off on the way they should go, and even when they are old, they will not depart from it.” Proverbs 22:6 is the basis for the name Gala 22:6, formerly the Making a Difference Dinner. This celebration of Catholic education in the Diocese of Buffalo makes a resounding impact on not only our current students and schools, but also on the entire Western New York community.

A call to action by the parents of the students in Catholic education seven years ago bore the Snowball Dance. The Snowball Dance is away to involve the students and give back to their community, in the lives of those families seeking Catholic education. The festive evening provides an opportunity for our students to celebrate Catholic Schools in an atmosphere of joy and purpose in the community.

Over 90% of the funds raised through ticket sales go directly to assist families with tuition costs, from the BISON Fund. This is only possible because of friends like you in our community. We would be greatly pleased if you would think about contributing to the dance by making a food donation, such as: cookies, water, pop or chips or a decoration donation.

Year over year the Snowball dances has grown. In 2018 the Snowball Dance had 8 schools participating at one dance, with 500 students. Three years ago the dance split into two locations, a Southtowns and Northtowns Snowball Dance. Last year 20 schools participated between the two dances and over 1,000 students attended the dance.

Thank you in advance for your thoughtful consideration and we hope you will part of this great event this year. This gives students another reason to celebrate Catholic schools during Catholic Schools Week and support them as they help their fellow peers secure their Catholic Education.

Sincerely,

Audra DiStefano
