Dear Parents,

St. Stephen's School is in the process of reaccrediting our school with the Middle States Association of Colleges and Schools Commissions on Elementary and Secondary Schools. This process takes place every seven years. St. Stephen's School has been accredited since 1989.

The Middle States Association is a worldwide leader in accreditation and school improvement.

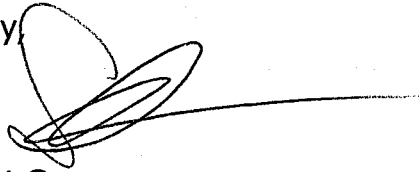

Accreditation is a self-evaluation process that schools and school systems voluntarily use to demonstrate they are meeting a defined set of research-based performance standards.

In order to complete this process, we are asking all St. Stephen's School Parents to complete a short survey about our school. On Thursday, May 3rd you will receive information on how to access this survey.

For more information about the Middle States Association, you may go to [www.msa-cess.org](http://www.msa-cess.org).

For more information about our survey, please feel free to contact me at your convenience.

Sincerely,

Mr. Scott Gruenauer  
Principal
