Attention all
Saint Stephen's
Students!

We will be working on a collaborative art project for the first couple of weeks in school, which will involve **grades 1-8** students.

Each student will need to bring in one 16 ounce clear water bottle, with the label removed.

If you have more than one you can bring that would be helpful.

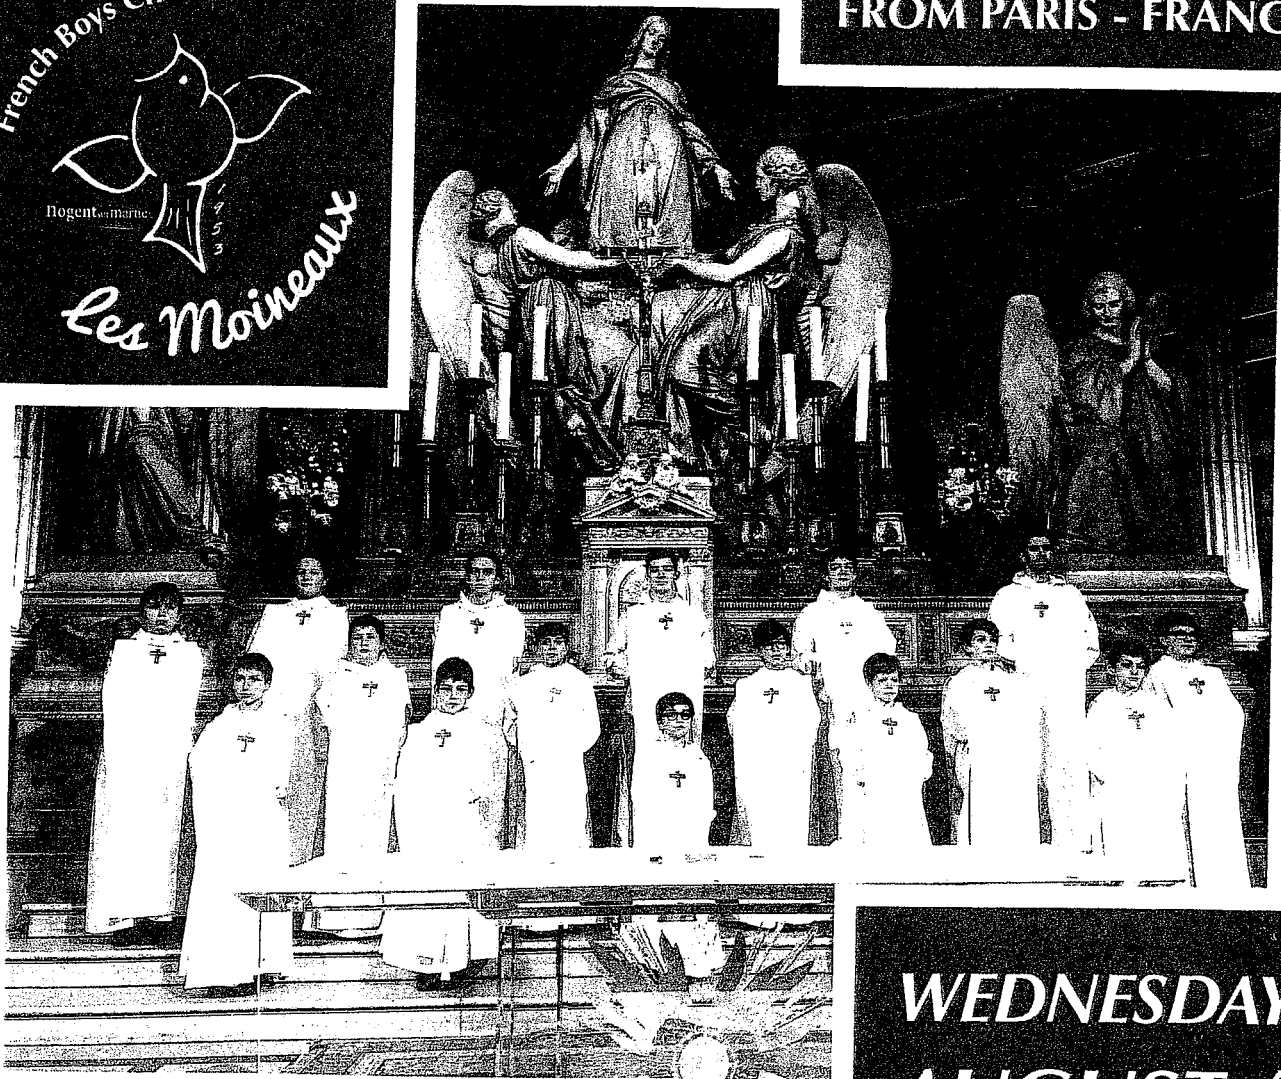

I will have a box outside the art room door, for you to deposit your bottle.

Thank you!
