Dear Parents,

Before we start cooking and baking in culinary class, we need to find out if your child has any food allergies that we should be aware of. Please have this form filled out and returned to school as soon as possible. The **culinary lab** is a **peanut free zone** so rest assured if your child has peanut allergies. We encourage all students to try new foods we prepare, however, they always have a choice. It is understood that food sensitivities are common.
