Dear St. Stephen's Families,

It was this time last year when we started getting inquiries as to whether we had a PreK3 program. After reaching out to our families about their interest in such a program, we moved forward and as you know we now offer a PreK3 program.

Miss White and Miss Lombardo are doing a wonderful job offering a structured, nurturing program. When we filled this class we focused only on a full-day program. We lost the interest of a couple families because we did not offer a 1/2 day program. With so many working parents we realize the need for a full-day program and will continue to offer 15 full day openings for our 2020 registration.

Once again we are getting inquiries as to whether we have a 1/2 day PreK3 program. After speaking with Miss White we are looking into the possibility of offering a morning session. This would run 8:45 am-11:45 am Monday-Friday. We would only include a morning session because the morning session offers structured play, hands on activities, and theme based learning. If we add a morning session we would only offer 6 slots. Once again they will be filled on a first come - first served basis. Registration would begin in January with our open house on January 26th.

What I am looking for right now is if there is an interest in creating this morning session. If this is something that your family would benefit from please complete the section below and return to the school office to my attention. If you have questions you can email me at ortizl@ststephensgi.org or you can reach me at 773-4347 extension 119.

Please note, at this time we are only gathering information as to whether there is a need to create a morning session.

Just a reminder, to attend PreK3 your child must be 3 years old by December 1st.

Sincerely,

Lynn Ortiz for Scott Gruenauer
