

St. Stephen School Lenten Fish Fry Update – As of March 15, 2020:

In consideration of the press conferences of Sunday, March 15, 2020, from both the Erie County and New York State leadership related to the pandemic Coronavirus (COVID-19) and in communication with the leadership of St. Stephen School and St. Stephen Home School Association, **we have decided to POSTPONE our Friday Lenten Fish Fry Dinners for March 20, 2019 until later notice.**

We will decide each week as it comes whether to resume our Fish Fry Dinners based on current events/changing conditions – and whether to offer Fish Fry as Take-Out ONLY (possibly to include “curbside take-out”).

Please stay tuned for future notices on the church website, the school website and Facebook pages, the electronic sign in front of school, the feather flag signs in front of church/school, and other communications.

We thank you for your continued support, we wish you continued good health, and remain committed to our community’s strong sense of fellowship.
