

## 3th Grade Summer Reading 2024

Dear parents and students,

This year for summer reading, students who are entering 3rd grade will be required to read *at least* 3 books ( you may read more than 3). Please document all the books you read on the reading log below. I have included a list of recommended books.

All students **MUST** read Flat Stanley: His Original Adventure! By Jeff Brown as one of their 3 books. I have several copies of the book- please contact me if you would like to borrow one of my books. After reading, students will design their own Flat Stanley. I have included a template for you to use **OR** you can get creative and make your own Flat Stanley. Take Flat Stanley with you on all your summer adventures and document all the places he visits! **Students will have the choice to either document Flat Stanley's adventures in a journal (see below) or by taking pictures of the places Flat Stanley travels to and creating a poster of his summer adventures.** This project will be due the first week of school. We will be presenting these as a class.

I will be checking my email over the summer. If you have any questions regarding the assignment please feel free to email me at:  
smitha@ststephensgi.org.

Have a fun and safe summer!

Miss Smith

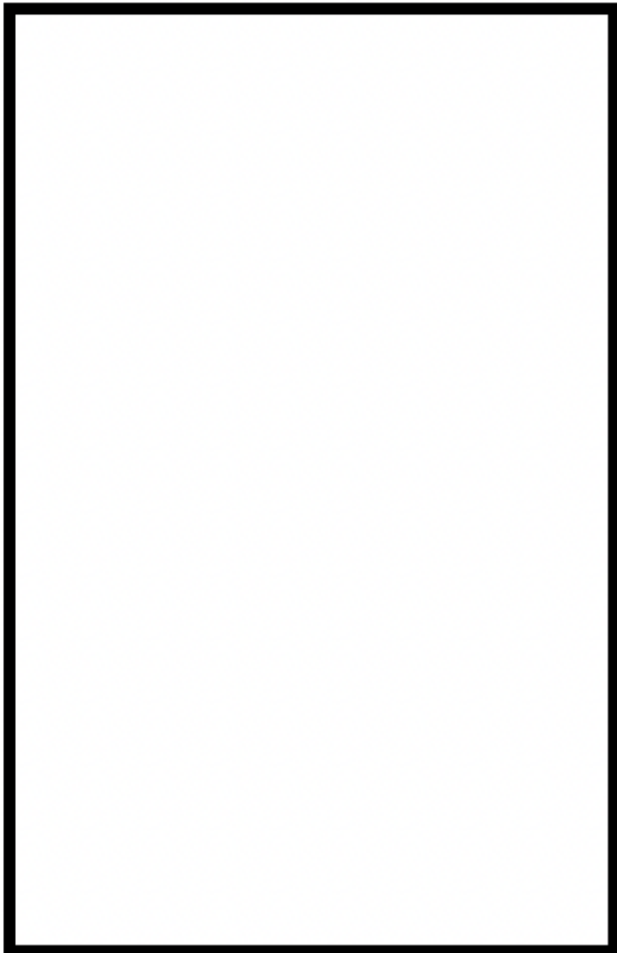

3rd Grade Teacher
