SUMMER EXTENDED LEARNING

Summer Extended Learning Programs will be released next week in the family envelope! Stay tuned for exciting new programs for all ages!

New this year:
UPK 2025-2026 students are invited to stay for the summer even if not registering for next year!

Tuition Assistance for Private Grammar Schools Now Available

The Bison Children Scholarship Fund provides tuition assistance to economically eligible children in grades K-8. New families can apply now for the scholarship for the 2026-27 school year. To start the process, families can complete a quick pre-application form online at www.bisonfund.org. If selected in our lottery drawing, the scholarship can be used at any private grammar school in WNY. The deadline to apply is March 31, 2026. The maximum award is \$3,000. For more information, please contact Cindy McDonald at 716-854-0869 or email cmcdonald@bisonfund.org.

Subject: American Heart Challenge is Coming – Be the First to Sign Up Today!

St Stephen School families,

I am excited to help create a community of lifesavers and am asking you to. Check this off your list in less than one minute and receive a wristband just for joining the team.

This year, we have an important goal: 100% of our families are learning the lifesaving skill of Hands-Only CPR! It only takes a few minutes to learn, and it can make all the difference in an emergency.

School QR code for grades k-4

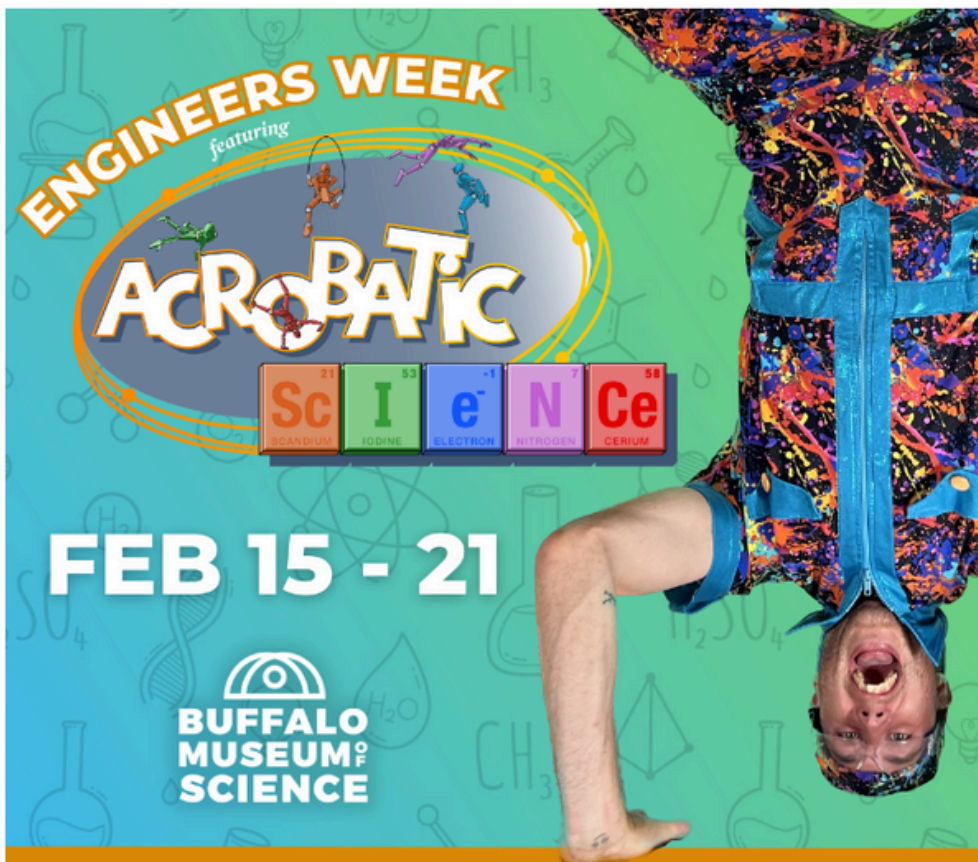

School QR code for grades 5-8

1. **Raise funds to help kids with special hearts.**
2. **Complete Finn's Mission:** Complete all 7 steps, learn Hands-Only CPR, and be entered to win two Super Bowl tickets!

Let's work together to create a community of lifesavers. Thank you for your support in helping us achieve this incredible goal!

Show and Engineers Week activities sponsored by

Engineers Week wouldn't be complete without high-flying fun!

What do high-flying acrobatics and engineering have in common?
PHYSICS!

Plan your February break week fun at the Buffalo Museum of Science with **Acrobatic Science Live!** shows with special guests WeFlip Entertainment and see the principles of physics brought to life on stage! Plus, take part in engaging **Engineers Week** activities and demonstrations with special guests (like Minecraft coding workshops with TechBuffalo on Monday through Wednesday!) throughout the museum.

Acrobatic Science Live! performances will take place at 10:30 a.m., 11:30 a.m., and 1, 2, and 3 p.m. with a special 6:30pm show during extended hours on Friday, February 20. Entry included with February Break admission pricing, seating is first-come, first-served!

Entry to shows, Engineers Week activities, and museum admission are included with the Museum's February Break admission rates: \$25 for adults, \$21 for children, and free for museum members.

The NYS Catholic Conference has issued a call to action today for advocacy on the Federal Scholarship Tax Credit. This Action Alert can be found at <https://www.votervoice.net/iframes/NYSCATHOLIC/Campaigns/133190/Respond> and asks you to send a prewritten email to Gov. Hochul, urging her to opt in to the new Federal Scholarship Tax Credit that will let taxpayers redirect up to \$1,700 of their federal income taxes to nonprofit scholarship organizations that provide tuition assistance for students in Catholic schools. But New York families will miss out unless the governor opts in. Governor Hochul's participation would bring new scholarship dollars to Catholic schools, easing financial pressure on families and expanding access to faith-based education. Once your home address is entered, the process takes less than a minute to complete (be sure to answer the follow up question: "Education").
