VOLUNTEERISM & FUNDRAISING: All Families Are a Part of This!

As a family in our school we require every family volunteer to work on our seven annual Lenten Fish Fry dinners. This tradition is over 50 years old and is one of the largest community builders and one of the largest fundraisers for our school. We would also ask that each family donate a Basket or items for our Gala which is held Annually. These Two Events are two of our biggest fundraisers for our school. Each year there are a multitude of other events that we hope you will join in on and support. Our Fundraising is essential to our existence and the responsibility rests with each family to sustain these fundraisers!

SERVICE ON OUR BOARDS:

We are currently accepting letters of interest from the community to take a leadership role on our School Board or for our Home School Fundraising Board. If you have expertise or background in some of these areas or any other areas that you would like to share for example: business ownership, accounting, education, marketing, fundraising, or grant writing etc. Please contact our Principal at Principal@ststephensgi.org , please join us! 🍷
