It is truly essential that each and every family volunteer for at least one Fish Fry, contribute a Gift Basket to the Gala with a value of \$50, and support the Fundraising efforts of the Home School Association. Funds raised benefit every child and every family and without these funds, tuition would need to be much greater.

Please COMPLETE front & back of this form, sign and keep one copy for your records!

I agree to abide by the terms of the Tuition Payment Option selected above and acknowledge that this is a legally binding contract. I understand that tuition covers only part of the educational cost, which is more than **\$8,500.00** per student, and that the rest of the cost is covered by Fundraising, Grants, Gov't Mandated Services and Parish Support. St. Stephen School will make every attempt to provide in school instruction and have implemented the necessary provisions to pivot to a remote instruction if required by local or state health requirements. I understand that my tuition obligation is for in-school and/or remote learning. I further understand that in accordance with the Tuition Policy of St. Stephen School, if tuition is overdue student exam grades will not be recorded and report card and transcripts will be withheld, and that this may result in a request to remove my child(ren) from St. Stephen School. I/we agree to reimburse St. Stephen's the fees of any collection efforts including agency and attorney fees we incur in such collection efforts.
